

In accordance with The Privacy Act of 1974, all requested documents and correspondence will be kept in strict compliance with respect to privacy rights. This website is owned and operated by CALIBRE Systems, Inc. (CALIBRE). The collection of applicant data is for the sole purpose of screening candidates for employment with authorized Mercedes-Benz Dealerships. The listed job postings reflect actual openings at those locations. The posted job openings are for employment consideration with independently owned and operated Mercedes-Benz Dealerships and not with CALIBRE or Mercedes-Benz (MBUSA).

If sensitive Personal Identifiable Information (PII) (birthdate, SSN Number, disability, Military bonus and compensation data, and so forth) is not removed, prior to receipt, it will be immediately redacted from documents. All correspondence, that includes information such as full name, phone number, address and email address will be shared with the hiring authority, only with the permission of the candidate. By submitting your application online, you are providing authorization to share that information with the dealership to which you have applied through this site.

For applicants forwarding documents though email or fax, please remove or obscure your Birthdate and SSN from all documents prior to sending them. Unencrypted email is not a secure means of transmitting personal information. Therefore, please do not send sensitive PII (such as your Social Security number) to us via unencrypted email.
